

Traffic Information for the Hund & Katz 2019 trade fair

Due to extensive refurbishment of the B2 (Maximilianallee) road, please consider traffic restrictions on your way to the Leipzig Exhibition Center during the period of the Hund & Katz 2019 trade fair.

Owing to the heavy traffic on two or more lanes, caused by the road narrowing, make sure to plan your route ahead.

As the exit "Seehausener Allee" is blocked, please take the "Messe - Allee" as alternative.

If driving to the fair grounds via the A14 federal highway, take the exit "Leipzig - Messengelände", because the exit "Leipzig - Mitte" is blocked.
